

January 28, 2022

Green Bay based Ostrenga Excavating Inc. announced its certification as a Woman Owned Business Enterprise, subsequent a change in its leadership team and Board of Directors. In late 2020 President Roger Ostrenga transitioned to Chairman of the Board, while Melissa Kennin was appointed President. Kennin had been in the role of Vice-President with Ostrenga for the past 25 years. Majority owner Winnie Ostrenga came in as Vice-President of the Board, Winnie along with Roger Ostrenga started the firm 30 years ago. Rebecca Ostrenga-Ruffell has stayed on as Secretary/Treasurer, Ostrenga-Ruffell has been with the company for 17 years. This month they received their certification from the State of Wisconsin as a Woman Owned Business Enterprise. The firm works throughout NE Wisconsin, partnering on projects such as Lambeau Field, the Titledown District, Fox Cities Champions Center, and the Resch Expo Center.
