Questions? Call AGC Executive Vice President Bob Barker at - 608-221-3821

AGC Conduit

How do they work?

AGCWI PAC

How can I help?

AGCWI PAC:

- ✓ The AGCWI Political Action Committee (PAC) collects personal contributions from AGC members and distributes those funds to political candidates who support the construction industry and the legislative priority issues identified by the AGC Legislative Committee.
- ✓ AGCWI PAC welcomes member input and recommendations as to which candidates to support, but the ultimate decisions on which candidates will get our money are made by a group of AGC members who volunteer to coordinate the PAC. If you are interested in being a member of the AGCWI PAC Committee please let us know!
- ✓ The AGCWI PAC allows you to help elect pro-AGC and pro-construction industry candidates, but the AGC experts do all of the work! We identify the candidates, prioritize where your money will do the most good and get money to those candidates when they need it.

AGC Conduit:

- ✓ The AGC Conduit is NOT a PAC. Your contribution is not “pooled” into a large fund where others decide where the money will go like a traditional PAC.
- ✓ The AGC Conduit allows you to give money to the political candidates of your choice. A contribution from your account can only be made with your written approval.
- ✓ To participate in the AGC Conduit program, send a *personal* check or credit card number to the AGC office for at least \$100. A separate “account” is then established in your name.
- ✓ After you decide who should get your contribution just sign a simple authorization form. The contribution is sent on AGC Conduit letterhead specifically identifying you as the contributor.
- ✓ Candidates report the money as an individual contribution from you. While your contribution retains your personal identity, because the AGC Conduit pools your contribution with those of others in the construction industry, we all get recognized for the contribution. You get two bangs for your buck!

Regardless of which method you choose, we encourage you to join the other AGC members that have made the commitment to help elect the candidates that support the construction industry by making a contribution through the AGC Conduit or the AGCWI PAC. **Together we WILL make a difference!**

If you should have any questions, please contact Bob Barker (bob.barker@agcwi.org) at the AGC office 4814 E. Broadway, Madison, WI 53716. **Telephone:** 608-221-3821 **FAX:** 608-221-4446

- *Contributions to either the AGC Conduit or the AGCWI PAC must be personal.*
- *Corporate money is not allowed.*
- *Political contributions are not tax deductible.*
- *If the AGCWI PAC Treasurer is unable to contact a Conduit contributor and their account is inactive over two years the money may to be transferred to the AGCWI PAC.*
