

AGC OF WISCONSIN 2012 SAFETY DAY SPONSORSHIP OPPORTUNITIES

Based on our success in 2010 and 2011, with close to a combined 1000 attendees, the AGC of Wisconsin is pleased to announce the 2012 Safety Day program. The one-day safety training program will be held on Fridays in February and March in the following locations:

LaCrosse, Madison, Stevens Point, Fox Valley, Eau Claire, Kenosha

As an industry leader, we invite you to join AGC of Wisconsin as a Partner in Safety Excellence for the 2012 Safety Day program. Sponsorship options start as low as \$250. \$3000 in sponsorship for the six locations provides you maximum exposure to the participants. In exchange, you will have the opportunity to deliver 3 hours of safety training at each location, positioning your firm as an industry leader.

For more information or to commit to the 2012 event, please contact Brent Miller or Jim Falbo.
