2017 BUILD Wisconsin Awards Winning Entries Announced

The Associated General Contractors (AGC) of Wisconsin is excited to announce the winning entries for the 2017 BUILD Wisconsin Awards. (See page 2 for list of winning entries)

The Build Wisconsin Awards program is open to all AGC of Wisconsin General Contractor and Specialty Contractor Members in good standing. The Awards stand as a testament to each member's skill, integrity, hard work, ingenuity, and commitment that goes into each commercial construction project. Entries were evaluated by a panel of judges assembled by the AGC of Colorado and were based upon four (4) primary criteria: Sustainable Practices, Craftsmanship, Innovation, and Meeting Difficult Challenges.

The 2017 BUILD Wisconsin Awards includes projects that were completed in 2016. All winners will be celebrated at the 2017 BUILD Wisconsin Awards banquet on Thursday, October 5 at Glacier Canyon Conference Center in the Wisconsin Dells. In addition, this year's BUILD Wisconsin Awards features the theme 'Celebrating Our Skilled Craftworkers' which focuses on providing special recognition to the skilled trades and the pride in craftsmanship across the state.
